

Payment and Insurance Policy

Self-pay service

Together Physiotherapy operates as a self-pay service. Patients are responsible for paying for all appointments at the time of booking.

Advance payment

All appointments must be paid in advance via the online booking system. Payment secures your appointment time.

Insurance claims

Together Physiotherapy does not bill insurance providers directly. If you have private health insurance, you may be able to reclaim the cost yourself.

Receipts

A detailed receipt can be provided upon request for insurance reimbursement. It is your responsibility to confirm coverage with your insurer.

Fees

Fees are clearly displayed at the time of booking and on the website.

Refunds

Refunds are subject to the clinic cancellation policy.
